 - 1. They would be servants, not here to be served. **(Lk 22:24-27)**

II. A Healthy Church is Characterized by Mutual Love and Respect among its Members

- A. Every church Paul wrote he commanded the brethren to "love one another".
 - 1. Paul did not consider these differences as "small". **(Phil 4:2)**

 - 2. How many churches had a "blow-up" just as the work was going well?

D. Is there any person who is a part of this church that I do not love as I ought?

- 1. If so, repent!
- 2. If this one has offended you, go tell him and work it out! This is maturity. (Ex. "War" as a child.) **(1 Pt 1:22)**
- 3. Every member of this church ought to know that he is in the midst of people who care about him. Let us express this love in word and deed.

III. A Healthy Church is Characterized by Spiritual Growth on the Part of Every Person.

A. Some people think there are only two kinds of Christians: the perfect and the hypocrite.

- 1. Everyone has weaknesses and the need for growth. We never obtain perfection.
- 2. Even when a person has 1,000 weaknesses he is no hypocrite as he repents of each sin and walks in the light. **(1 John 1:7-9)**
- 3. On the other hand our weaknesses are not a matter of indifference.

B. If we are alive in Christ, we must grow. **(Phil 3:13-14; 2 Peter 3:18)**

- 1. Are you a stronger Christian today than last year? Five years ago?
- 2. How about your attendance? Maturity will lead you to go even when it is not convenient.
- 3. How about your spiritual knowledge?
- 4. How about your love for the brethren?

A. When the Lord saw the seven churches of Asia with two He had no fault, with one He spoke no good and with four there was both good and bad.

B. Let us improve as individual Christians in the areas we lack. **(2 Cor 13:5)**
